

PEBC NEWSLETTER FEBRUARY 2019

GLENELG DAY JANUARY 6TH. – Thirty people were up early and boarded the bus to Glenelg, where we were joined by a few others who had travelled independently. It was a great fun day out. The greens were good, the company was good and the food was good. When we broke for lunch PEBC looked as though they would win the trophy back – but 2nd game we changed rinks and players – and by 4pm, when ends and shots were tallied up – Glenelg was the winner and PEBC reluctantly handed the shield over to Glenelg to hang in their clubroom for the next 12 months.

CHAMPIONSHIPS -MEN'S PAIRS

What a battle this was – Glenn & Barry vs. John & Terry – It took 3 hours to complete. John & Terry emerged the triumphant Champs

GSBA Mixed Pairs: *Congratulations to Chris and Sandra Monk, PEBC champs who competed for the GSBA Mixed Pairs title in knockouts vs Langhorne Creek and Aldinga Bay, but were defeated in the third game by Clarendon.*

GSBA – Men's & Ladies Pairs

Also congratulations to PEBC' champs competing in the GSBA Pairs knockouts: Margaret Malone and Jan Lind, PEBC Ladies Pairs Champs played and won their two games at PEBC vs 1) Encounter Bay, 2) Willunga and John Deal and Terry Hogg, won both of their games, 1) Milang and 2) Encounter Bay. These two pairs will play in the final at McLaren Vale on Sunday 24th March. Finals of all GSBA championships will be played, same day, same venue. Pack your lunch and have a day out!

AUSTRALIA DAY FUN was enjoyed by members in true Aussie Club Spirit – with food, fun and great fellowship! Fifty plus members, friends and family feasted on Aussie fare (pea & ham soup, pie, sausage/onion in bread, fruit and ice cream and lamingtons) and then on to the serious business of competing for the Bridgwood True Blue trophy with teams drawn to spread the skill base and create the fun! The trophy was won by Ian Herron (and his deadly bowling arm), together with Lyn Mole, Graham and Lynne Trenerry!! The best dressed Aussies were Brian and Pat Goudie, Sherrill Wright, Chrissie Bing and Claire Trowbridge and the prize presented by Life Member Tony Gunnell (who truly relished the P.R. opportunity)! It was a great day out! Thanks and well done Chris Brindal and her kitchen and game management teams.

CHARITY BBQ 23RD DECEMBER Most of us enjoy good physical health although a number of members have experienced cancer and the consequent need to travel day in and day out to and from city hospitals for treatment. Many members have availed themselves of the Fleurieu Cancer Support's daily transport service, and several members are also volunteer drivers for that service. Late last year, members decided to take up the opportunity offered by Bunnings to run a Sunday morning Sausage Sizzle PEBC'S delegated date was December 23rd – very close to Christmas. Nevertheless, members were there to do the job and gross takings were \$1100. The Board decided to absorb a good portion of costs and on 29 January, President Maryanne McGill presented a cheque for \$1,000 to Fleurieu Cancer Support Service.

In accepting the cheque, Secretary Heather Burns said that the service has three vehicles and provides transport 5 days a week, 51 weeks of the year. The \$1000 donated will fuel and maintain one car for one month. The service receives no government funding. All staff are volunteers Well done PEBC!

GARDENING. There was a great response to the call for gardening assistance and a working bee was organized to dead head flowers and trim bushes. The job, which would have taken a whole day by one person was completed by the seven volunteers in just one hour. There will be another working bee shortly. If you can spend an hour or two please contact Nancy Petherick.

GREENS MAINTENANCE: There was a good response to Elmore's call for help too, and he would like to thank those persons who have volunteered.

REMINDERS: POSITIONS BECOMING VACANT:

Several Board Members will complete two year terms this year and nominations will be called for within the next few weeks. Please consider whether you might have appropriate skills to fill one of these positions. If you would like to be involved in club management or contribute to a committee, or help run a program, please contact a Board Member to find out what is involved. Current office holders will be happy to assist new members with a period of induction.

Invitations from other clubs – see flyers in folders on table by the bar.
