MARCH 2019

As usual, the Men's Seafood Medley was a great success attended by players from 17 separate clubs. All credit, and thanks go to the Coordinator and his team comprising some 24 members, helping with greens, meals, raffles, game and bar management, and, of course to sponsors Bridgestone Tyres, Carpet Court, Dodd & Page Real Estate & Holiday Rentals, Gary Fox, Angroves Wines.

The Charity social game on Feb 24th was also very successful with 50 players. The event, organized by Lynn Wenman, and game managed by Norm Taylor, raised over \$1,000 for the Jodie Lee Bowel Cancer Foundation. It is planned to present the cheque to the Foundation on Presentation Night. A number of sponsors contributed, providing vouchers for raffles, including Southcoast Realty and a voucher from our major sponsor, Phil Dodd Real Estate & Rentals for a holiday at Middleton worth \$600 which was auctioned and raised nearly \$400. Thank you to everyone involved, including participants

CLUB CHAMPIONSHIPS:

The last of the club's inhouse Championships, the MEN'S SINGLES FINAL was played between two relatively new members, Craig Fidock and Ian McLeod. After a fine display of quality bowling Ian McLeod earned the title of Men's Singles Club Champion (26-8).

UMPIRING & COACHING

Bowls SA has established a new training Centre in their Holdfast Bay premises – read all about it in The Bowler. Both Umpire and Coaching courses are to be run there regularly. In regard to Umpiring, the club needs to qualify more Umpires before next season, and some current umpires are due for reaccreditation. If sufficient members are interested in qualifying (or updating) we could

try to negotiate a course to be conducted at PEBC. Please talk to (Dorothy (Umpire Co-ordinator) if you are interested.

ACT NOW IF YOU FEEL THAT A MEMBER SHOULD BE CONSIDERED FOR LIFE MEMBERSHIP OF PEBC. Nominations are due by 7th March. Nomination forms are on the table by the Bar or contact Secretary Kaye Cammack who could e-mail a copy out.

REMINDER: POSITIONS BECOMING VACANT: A number of Board members complete their terms this year. Nominations are open for Ladies Vice President, Secretary, PR, Treasurer, Greens & Maintenance and Social. The Club will also need Membership and Sponsorship Officers, Championship Co-ordinators, Wednesday morning Superpairs manager, Assistant Treasurer, and members to run Monday, Thursday and Saturday winter bowls. If you think that you can fill one of these positions please contact Secretary Kaye Cammack. Current office holders will be happy to assist new members with a period of induction.

THURSDAY PENNANT SEASON seemed to conclude rapidly – Some of us had just started to find form when, too late, it was all over! Div 1 did well finishing 3rd on the ladder, and playing

in the qualifying final, only to be knocked out by fourth on the ladder, McLaren Vale. Div 3 also did well finishing 5th on the ladder, missing out on finals by just 1` point.

DIV 2 had a COULD'VE, SHOULD'VE, WOULD'VE SEASON – finished 5th of 8 and managing to stay in the dlvision by a few shots. NEVER THE LESS – THEY ENJOYED THE GAMES, THE EXERCISE AND THE FELLOWSHIP – AND WILL BE BACK TO FIGHT ANOTHER DAY!

SATURDAY PENNANT SEASON concludes this week with the last game cancelled due to heat. Three PEBC sides have qualified for FINALS,

Div 3 finished the season 3rd and will play Myponga at Goolwa in the Qualifying Final on 16th March.

Div 5 Black and Div 5 Red finished the season 1st and 2nd and will thus play each other in the Qualifying Round on 16 March at Port Elliot.

Games will commence at 12.30pm Come along to support your club teams. The Elimination final to which we hope some of these teams will progress will be held next day, 17th March – venue t.b.a and the Grand Final in which we plan to be well represented, will be on 23rd March, venue t.b.a.

NIGHT OWLS – concludes on 12th March and Friday Night meals conclude on 15th March. These two programs have involved a myriad of members. Thank you everyone for your help!

TRADING TABLE: Nancy Petherick is again running a Trading Table at the Ladies Seafood Day, 18 March. If you have saleable items you would like to contribute please contact her.

GIRLS NIGHT OUT: The end of Thursday Pennants was celebrated with a night out at Hotel Elliot

Invitations from other clubs – see flyers in folders on table by the bar.
