*John thought it was fun but Wayne took the game very seriously*

*Peter & Mick were happy with their win*

**COME & TRY**": it is proposed to run a few "Come & Try's this season. The first will be held on Friday 30 August 2019 10am – 12 pm and 1 – 3pm. It would be good if you could invite friends and neighbours to come and "have a go"! There will be flyers in the clubroom, around town, and ads in The Times and on local radio. The 2<sup>nd</sup> Come & Try will be in November. Helpers are always appreciated on these days!

**WOW!! THEY SCORED A '9'**

*It doesn't happen very often but Ian & Eileen Love and Michael Wenman had a day of outstanding play including scoring a '9'. Such rarity prompted Chris Brindal to have a '9' trophy made, which she presented to the trio – who may have to pass it on if their super play is ever matched.*

**CLUB TOURNAMENTS & CHAMPIONSHIPS –**

**Ladies 100up – Nomination form is on the inside noticeboard.** Closing date for entries is Sunday 15<sup>th</sup> September (Opening Day)

**WHEN MEMBERS SUPPORT SPONSORS - SPONSORS SUPPORT PEBC**

We are reminded to mention PEBC membership when making purchases from club sponsors. Knowing that members use their services encourages businesses to continue their sponsorship. Some of the larger businesses also give payback to the club when a purchase is made. We have recently received a cheque from the RAA as reward for one of our members using their holiday travel service. Northpoint Fleurieu Auto also give payback when a car is purchased, and the ANZ will reward the club when a customer takes out a loan and mentions PEBC membership (or even a connection with a member who has suggested they approach ANZ for a loan).

*Lorraine, Peter (Willunga) & Helen were chuffed with their 'winning' day*

**FRIDAY NIGHT TEAS COMMENCE 4<sup>th</sup> OCTOBER**

Rosters are up in the clubroom. Please help fill the positions.

**PROGRAM & EQUIPMENT GOOD NEWS** was received this week. The club has been awarded \$5,000 from the State Department of Recreation & Sport ORS Active Club Program to assist with Program, Promotion and Program related Equipment. Our first buy will be new Umpire Equipment to replace our current rusty bits and pieces. New Jacks are also on the priority list, as is a new blower for the greens and there will be focus on promotion of PEBC and recruitment of new members.

## COACHES & UMPIRES

With Pennant season fast approaching, the Club is in need of additional Umpires and Coaches. Courses for new Coaches are run at regular intervals at Bowls SA Training Centre, Holdfast Bay – check the Bowls SA website. A course for new umpires will be run locally early in the Pennant season. If you are interested in supporting the club through one (or both) of these important roles please talk to the Club Secretary.
